Dear Parent / Carer

Please find over leaf our menus starting in the Spring Term 13th April 2015 through to 23rd October 2015.

These menus conform to the New Revised School Food Standards that became law in January 2015. At Education Catering Services, we are committed to helping pupils develop healthy eating habits, as a school lunch provides many vital nutrients and vitamins that your child needs to grow physically and mentally.

A good quality balanced lunch will help your child concentrate during lessons, let off steam at play times and recharge their batteries for the afternoon. School is the ideal place to encourage children to eat healthier options, so helping to prevent childhood obesity and other health problems in the future.

The change to free meals for all infant pupils does not mean that claims for free meals from the benefits system should be ignored. If you are a parent/carer who is on low income or unemployed you may qualify for free meals, and it is important that you apply as your child's school will also receive money to assist with their education.

Applications can be made on-line or contact the Council's Revenue and benefits Section 01709 382121

We want all our children to enjoy their meals. Feedback about our lunches and service is essential to our development and your comments are welcome at **Education Catering Services** on **01709 822312** or by email at: **EducationCateringServices@rotherham.gov.uk**

Regards

Joanne Campbell
Catering Operations Manager
