

September 2015

Dear parents/Carers,

Ms Poskitt and Mrs Elliott are inviting Key Stage 2 pupils to join the gardening club. The club will restart on September 10th and run every Thursday between 3:30 – 4:30pm until the summer holidays.

Your child's knowledge will expand, learning about healthy eating, different plants and vegetables and the natural world. The club also supports all subjects of learning – numeracy, literacy, science, creativity all while enjoying the fun of gardening. The garden work will be carried out in the school grounds and a variety of fun activities are planned throughout the year, where your child can bring home what they have grown and made.

Places are limited, so if your child had a keen interest in gardening, then please fill in the slip below. If you have any questions, please see Ms Poskitt in key stage 1.

Yours sincerely

P Dobbin
Headteacher

I give permission for my child _____ Class _____

To take part in gardening club on Thursdays after school and will collect them at 4:30.

Allergies (due to food tasting) _____

Any relevant medical information _____

Signed Parent/Carer _____
