

Year 2 - Summer 1, 2015

Learning Journey: Dark in The Park

You could help your child with these weekly tasks:

<p>Learn weekly spellings</p> <p>New spellings will be given each week with a weekly test.</p>	<p>You could check and rehearse spellings with your child.</p>
<p>Reading their reading book</p>	<p>You could hear your child read and ask them questions about the text.</p>
<p>Practising their Numeracy Target:</p> <p>To learn their number bonds and related subtraction facts.</p>	<p>Help your child practise their bonds:</p> <p>- to 10 Eg $9 + 1 = 10$ $10 - 1 = 9$</p> <p>- to 20 Eg $15 + 5 = 20$ $20 - 5 = 15$</p> <p>- to 100 Eg $70 + 30 = 100$ $100 - 30 = 70$</p>
<p>Numeracy Homework</p> <p>Your child will be given weekly homework either by a worksheet or on MyMaths.</p>	<p>Support your child in their homework, ensuring they understand of what is expected of them.</p>

Thank you to all the children who have completed a home learning project. The results were wonderful!

This half term we would like every child to choose their home learning from the list below. Children may choose one or more projects and they may present their work in any way they like. The more creative and individual the better. Children's learning will be displayed in school and rewards will be given for participation.

- ⇒ Make a nocturnal animal presentation.
- ⇒ Create a nocturnal animal home.
- ⇒ Go on a wild life hunt and photograph what you find.
- ⇒ Create a nocturnal animal fact sheet.
- ⇒ Make a nocturnal animal woodland in a shoe box.
- ⇒ Use symmetry to draw a picture of a nocturnal animal.
- ⇒ Create a maths board game involving nocturnal animals.

Home learning can be handed in at any time but we request that it be handed in by the Monday 18th May.
