

Year 2 - Autumn 1 - 2015

Learning Journey: ..Happily Ever After.

You could help your child with these weekly tasks:

Learn spellings New spellings will be given once your child is secure and applying their spellings in their written work.	You could check and rehearse spellings with your child.
Reading their reading book	You could hear your child read and ask them questions about the text.
Numeracy Homework Your child will be given weekly homework.	Support your child in their homework, ensuring they understand of what is expected of them.

Thank you to all the children who have completed a holiday home learning project. The results were wonderful!

This half term we would like every child to choose their home learning from the list below. Children may choose one or more projects and they may present their work in any way they like. The more creative and individual the better. Children's learning will be displayed in school and rewards will be given for participation.

- ⇒ Write a formal letter to a celebrity and bring a copy into school.
- ⇒ Write a postcard and post it to school.
- ⇒ Create a fairy-tale setting in a shoe box.
- ⇒ Create a map of your walk to school.
- ⇒ Create a map of a fairy- tale land.
- ⇒ Design an attractive feature, such as a sculpture or a sensory garden to go into Barker's Park.
- ⇒ Rewrite a fairy-tale and perhaps change the ending or the characters.
- ⇒ Make a game of snap with matching fairy-tale characters for number bonds to 10 or 20.
- ⇒ Create a fairy-tale puppet character.

Home learning can be handed in at any time but we request that it be handed in by the Monday 19th October.
