

Homework Tasks

You can help your child with their weekly tasks:

Learn weekly spellings New spellings will be given on Friday and the children will be tested on the following Friday.	You could check and rehearse spellings with your child.
Reading their reading book	You could hear your child read and ask them questions about the text.
Practising Times tables X2 x10 x5 x3 x4	Help your child practise their times tables in order and randomly.
Homework sheets Your child will be given homework on a Friday to be handed in on Wednesday.	Support your child in their homework, ensuring they understand what is expected of them.

Project Tasks

This topic lasts for 7 weeks, in this time the children are expected to choose one activity from the list and complete with the help of their parents. The projects can be brought in at any time before the end of term.

- Complete a cave painting.
- Research the Stone Age.
- Find out what different rocks are used for.
- Write a story about a Stone Age child.
- Draw a picture relating to the Stone Age
- Write a diary of your weekend.
- Find out about Fair trade foods.
- Make a Stone Age dwelling.

Curriculum Information Sheet

Year 3

2015-16
Summer 1

Main Topic Area The Stone Age

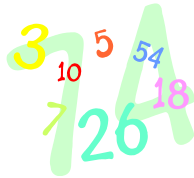

Over the next term our topic will be based around the Stone Age. We will be finding out what Stone Age people ate, what they wear and where they live. Our geography, ICT, art and DT will relate to this theme.

English

In literacy we will be exploring a variety of texts both fiction and non-fiction. We will be writing non-chronological reports about the Stone Age. Following our trip to the Wildlife Park we will complete recounts and write a persuasive text.

Maths

In maths we will be looking at a range of areas including:
Building on using and understanding numbers 0 - 1000
Telling the time.
Addition and subtraction.
Developing mental calculation strategies.
Fractions - halving and quartering.

Science

In science we will look closely at rocks and soils. We will investigate these further after our trip to Creswell Crags.

PE

In PE we will complete a range of ball skills. We will also working as a team and trying out a range of athletic activities.

ICT

In ICT we will be using scratch to develop basic skills in computer programming.

Music

In music we will be working with Mrs Bennett, a specialist music teacher. She will be working on our understanding of key musical vocabulary.

Geography

In Geography we will continue to explore Africa.

Art

In Art we will be creating pictures related to the Stone Age, including cave art.

DT

We will be designing and making moving animals using air hydraulics.
