

Welcome to Reception Class

We had great fun playing together in the snow. Was it really Spring?

We performed our favourite story 'Room on the Broom' to our Mums and Dads. We spoke clearly and confidently.

We walked to Codsall Library. We Listened carefully.

Using our senses to explore and investigate was very exciting!

Do you know what the five senses are?

We love to learn Outside.

Building animals
homes and watching our
willow tunnel growing.

We have had such fun in the Spring Term with our topics
'Let's Find Out' and 'Once Upon a Time'.

Lively learning and fun in the Foundation Stage!

Our next topic is '**All Creatures Great and Small**'.

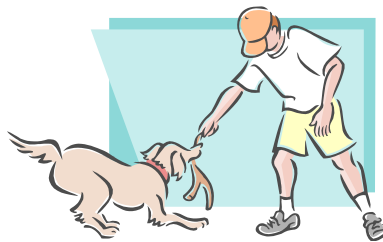

Click on the picture below to watch Mr Tumble and the Mini Beasts.

What is a mini beast?

Do you have a pet?

Click below to find out about different animals as pets. Watch the videos to see if you could care and look after a pet!

Click on the bird.

Can you repeat the animal sound pattern?

Where do these animals live?

Click on the links below to play lots of animal games!
