Welcome to Year 3

We did 'something funny for money' to raise money for Comic relief.

During book week we have learnt lots about different books. We produced some creative responses to our favourite stories.

We were lucky enough to have Young Shakespeare come into school. We got to perform Julius Caesar

with them!

During Eco Week we participated in lots of fun activities!

> We used natural materials to make collages.

It was great watching the chicks grow and getting to hold them!

We learnt about Invaders and Settlers. We really enjoy making Celtic roundhouses and learning about Romans!

We went to Wroxeter Roman city and learnt about Roman life.

We loved dressing up as Vikings.

This half term we will be learning about the Rainforest and making our own stop animation. Take a look at some of the links below.

Click the picture to discover more about the Rainforests.

<u>Click here to find out about some</u> <u>Rainforest animals.</u>

Which is your favourite Rainforest animal? Can you find some interesting facts about them?

Click on Morph to find out more about him and his creator. You can learn how to make your own!

<u>Practise finding the difference</u> <u>between times and using timetables.</u>

In Literacy we will be looking at poems and information texts.

You can enjoy stories on line. <u>Click here to read</u> <u>some poems</u>.
