

Alsace

In the rain-shadow of the Vosges Mountains, this unique region of France is famed particularly for aromatic whites such as Riesling and Gewürztraminer and is capable of producing wines that achieve higher alcohol levels while retaining the cool, aromatic edge. Beautifully presented in the classic Alsace flute, a wine from Producer Michel Leon of the Arthur-Metz group is a must for any good list.

White Wine

	5617850	Riesling, Michel Leon	2	2012/13
--	----------------	------------------------------	----------	----------------

The most famous grape variety in Alsace producing a wine that is fresh and fruity with touches of citrus. On the palate, it is structured and balanced with fine aromas. 13%vol

5617840	Gewürztraminer, Michel Leon	2	2012/13
----------------	------------------------------------	----------	----------------

Golden in colour and full of floral, spicy aromas as you would expect from this most aromatic varietal. Supple, balanced and pleasantly long on the palate. 12.5%vol

Riesling, Michel Leon

A subtle golden yellow, offering fresh and fruity hints of Anjou pear and orchard blossom, with touches of citrus lemon meringue and apricot. A structured and balanced wine with fine, tangy aromas. (2) 13%vol.
